

‘Art’
by Yasmina Reza
October 13th-15th

Who?

Director: Carson White (any and all pronouns)
Stage Manager: KaLa Keaton (she/her)
Preferred Contact Email: carson.white@yale.edu

What?

Synopsis of show: Marc’s friend Serge has just bought a painting, an Antrios. It’s modern... and entirely white. Marc hates the painting. Serge hates that Marc is taking it so seriously. Yvan, their other friend who’s been roped in against his will, doesn’t understand what’s the big issue, which only makes everything worse. In the hour and a half of arguments had, accusations made, and truths finally told that follow, the play investigates what happens when the people we love change.
