

EVE

Do you mind me hijacking your lesson?

CASSIE

It depends: are you going to make me play scales?

EVE

No.

CASSIE

Then I don't mind. When I signed up for these lessons, I was hoping we were going to write songs. Instead, we've just been playing scales the whole time.

EVE

Well, maybe we should just try and write a song right now.

CASSIE

Can we really just write a song? Like, right now?

EVE

Cassie, what have you done today? Tell me the first thing you did when you got out of bed this morning.

CASSIE

Let's see. I meant to get up really early, but I was still the last one up out of all my roommates, and I had to stack the dishwasher 'cause I was last downstairs, which was a rip-off 'cause I didn't get anything to eat.

EVE

And then what happened?

CASSIE

I jumped in the shower, got dressed. I wanted to do my homework, but Captain was crying so I had to take her out. She's my dog. We went to the park, climbed the fence for a shortcut.

EVE

Anything happen in the park?

CASSIE

Captain was acting strange. She kept running ahead, and then she got into Mrs. Platt's herb garden, and then she started digging like mad. But she didn't eat anything, thank God, cause Mrs. Platt kind of scares me...How much more do you need?
