

CHORUS

And now she is there
Where
Why there
Oh yes there.
Yes oh yes yes there.
There she is
Look and see
And the viper is there
And the light is there
Who gave her the light
Nobody did
Doctor Faustus sold his soul
And so the light came there
And did she sell her soul.
No silly he sold his soul
She had a viper bite her
She is there
Oh yes she is there
Look there
Yes there
She is there.

And now she is there
Where
Why there
Oh yes there.
Yes oh yes yes there.
There she is
Look and see
And the viper is there
And the light is there
Who gave her the light
Nobody did
Doctor Faustus sold his soul
And so the light came there
And did she sell her soul.
No silly he sold his soul
She had a viper bite her
She is there
Oh yes she is there
Look there
Yes there
She is there.
