What?

The Trail to Oregon! is a comedic homage to the video game *The Oregon Trail* from the creators of *A Very Potter Musical*, *The Guy Who Didn't Like Musicals*, and *Twisted*. Featuring nature, bandits, and, of course, dysentery, *The Trail to Oregon!* is not only fun, it's both fun and edumacational! This heartfelt, farcical musical follows a bumbling well-meaning father, a stern yet nurturing mother, a rebellious love-sick daughter, a curious wide-eyed son, and their senile old grandpa. Together, they must face the most tenuous and stressful challenge of all: a family road trip. Best of all, they're all named by YOU! So crack open a can of beans, sit back on your wagon, and set out on the trail, because we are gone to Ore-gone!
