**TUG SIDE 1**

TUG
*(brightening)* Hey I have a joke that you could tell at the talent show. “What’s the difference between a tire and three hundred and sixty-five condoms?”

DANNY
I already can’t use this joke. It’s already inappropriate.

TUG
What’s the difference between a tire and three hundred and sixty-five condoms????

DANNY
...I don’t know, what’s the difference?

TUG
One is a Goodyear. The other is a *great year*.

*TUG waits in great anticipation for DANNY’s response. DANNY is underwhelmed.*

DANNY
What’s a good year?

TUG
The tire. A Goodyear is a brand of tires.

DANNY
Okay.
Sorry can you tell it again so I understand it?

TUG ......

DANNY ?

TUG
“What’s the difference between a tire and three hundred and sixty-five condoms?”

DANNY
I don’t know, what?
TUG
“One is a Goodyear. The other is a great year.”

DANNY Oh. Uh --

TUG
Because if you have three hundred and sixty-five condoms, that’s enough for a whole year. And that would be a great year.
Whatever.
I didn’t make it up, I read it on ultimate laugh meister dot com.
