RILEY

What was that?

CODY (O.S.)

Are you Google Maps-ing it?

JASON (O.S.)

Relax. Scout Leader didn’t give me the Navigation badge for nothing.

CODY (O.S.)

Yeah, well, I don’t see any clearings around here—

(SCOUTS 1 and 2 enter.)

—do you?

(The SCOUTS fall silent. They notice that they’re in a clearing. Then they notice RILEY.

RILEY stares back. Then she pulls her gun on them.)

RILEY

You are entering unauthorized territory!

CODY

HOLY

JASON

JESUS

RILEY

Hands in the air! Now!

(The SCOUTS do so.)

CODY

Who are you?!

JASON

We’re not going to hurt you. Are you lost? We can help you. Just drop the gun, okay?

CODY

Are you reasoning with her?!

JASON

Look at her! She’s scared too.

RILEY

How do I know you won’t try to raid our supplies? Or steal our bunkers, or—

CODY

You have bunkers? That’s insane!

JASON

Why would we want bunkers?
CODY
Yeah. I already have a house. Although technically it’s my mom’s house, she makes that very clear—

— or, or, or shoot at us, or —

RILEY
Shoot at you? We don’t have guns! Look.

(JASON empties his pockets.)

JASON
We’re Eagle Scouts!

CODY
One, two—

(RILEY fires her gun into the air.)

CODY
You’re crazy!

(The SCOUTS run off in a panic. JASON leaves his phone on the ground.)
